

Georgia Southern Foundation Giving Opportunities

Making a gift to Georgia Southern University is an investment in the institution. The Georgia Southern University Foundation provides you with the opportunity to make unrestricted and restricted gifts.

Unrestricted Gifts: Unrestricted gifts offer the University the flexibility to direct funds to where they are needed most. By making an unrestricted gift to Georgia Southern, you will help provide support where it is needed most.

Designated Gifts: Provide you with the opportunity to designate a specific area of interest for your gift.

The following is a listing of the accounts currently held by the Georgia Southern University Foundation. Please use it as a reference when making a designated gift.

For more information, contact the Georgia Southern University Foundation at (912) GSU-GIVE.

Every effort has been made to ensure accuracy of this list. Please contact Georgia Southern University Foundation at (912) GSU-GIVE if changes are needed.

ENDOWED FUNDS

Endowment Funds (those with account numbers beginning with "3") are similar to savings accounts. All contributions made to endowed funds are added to the corpus, or principal, of the endowment. Income earned on the principal is used to fund projects or programs. The Foundation's endowed accounts are jointly administered by department chairs or area directors and the Foundation. Disbursements from endowment earnings are made only when requested by the appropriate department chair or area director. Endowed funds are typically used to fund scholarships or professorships. A minimum balance of \$20,000 is required to open an endowment fund. Restricted Accounts (those with account numbers beginning with "0") are similar to checking accounts. All contributions to restricted accounts may be used to fund activities and programs. Restricted accounts have been established for most academic and administrative areas on campus. Disbursements from restricted accounts must be initiated by the various program directors or department chairs and approved by the appropriate academic dean or vice president. A minimum balance of \$500 is required to establish a new account.

Unrestricted contributions made to the Greater University Fund are disbursed across campus through a budgetary process which is approved and monitored by the University vice presidents and the Georgia Southern University Foundation Board of Directors.
